PROTECTIVE COVENANTS

1. Any lot shall be for one single family private dwelling with customary outbuildings with no structure being used for any type of business or commercial enterprise other than agriculture.
2. All residences erected or factory built homes placed on the property shall contain a minimum of 700 square feet of indoor heated area. No single wide mobile homes may be joined together or have additions built onto them for the purpose of meeting the minimum square footage requirement. All mobile homes must be fully under skirted and firmly anchored in an attractive and workmanlike manner. Concrete block houses are prohibited. All homes shall be no older than 5 (five) years from the date of placement unless permission is obtained from Developer.
3. No incomplete or junk type structures shall be permitted on the property and no camper type trailer, tent or shack may be used either temporarily or permanently as a dwelling.
4. No livestock or other animals may be raised or kept for commercial purposes. All swine are prohibited. No more than two (2) large animals (horses and cattle) are permitted per acre. Notwithstanding the above, cattle and horses raised on property may be sold providing that the two animal per acre limit is observed. No dog kennel shall be allowed - no Pit Bulldogs are permitted.
5. No inoperative or unlicensed vehicles, or parts of same, shall be permitted.
6. No private dwelling shall be nearer a frontage road than 20 feet from right-of-way nor nearer than 40 feet from a rear lot line nor nearer than 15 feet from a side lot line.
7. No dumping or accumulation of trash, garbage, discarded personal effects or other debris shall be permitted.
8. Permit from Laurens County Health Department must be obtained prior to installing a well or septic tank system.
9. All driveway culverts and drainage pipes installed to the property from its abutting roadway must be made of concrete or other material approved by Laurens County Department of Roads and Bridges. All driveway culverts and drainage pipes must be of sufficient size and length to insure proper drainage, if a pipe is needed.
10. No lot shall be subdivided.
11. No timber may be cut for sale without permission of the Developer.
